

S20 LAUNCHING & CAR PARKING INFO

This letter is to explain your launching, trailer storage and car parking at Alamitos Bay Yacht Club. **The yacht club has two hoists – a 2 ½ Ton and a 1 Ton Hoist (the 1 Ton hoist is NOT high enough to lift S20's on and off trailers, but it may be used for lifting out of the water to wipe off boat bottoms).**

LOGISTICS:

Bring your boat to Alamitos Bay Yacht Club, 7201 E. Ocean Blvd., LB. - (562) 434-9955.

I. TRAILER PARKING

When you arrive, park your boat and trailer in the lot directly across the street from the yacht club (to the west).

If you arrive before 5:00pm, get a parking pass from the office and tape it onto the front of your trailer for the weekend (BE SURE TO WRITE ALL OF THE DAYS YOU NEED TRAILER PARKING ON THE FORM).

If you arrive after 5:00pm on a particular day, you will need to pay the city \$4 parking charge (at the corner of the parking lot) for that night. The next day during normal office hours, please get a trailer parking pass from the office and tape it onto the front of your trailer (BE SURE TO WRITE ALL OF THE DAYS YOU NEED TRAILER PARKING).

II. CAR PARKING

Please remember that car parking inside the ABYC grounds is for members only - EXCEPT TO MOVE YOUR BOAT INTO THE CLUB. After you are through unloading, please park outside the yard. **Do NOT drive your car on the driveway to the hoists!**

Parking in the both parking lots will be free if you pick up a "parking slip" from the ABYC office. THERE ARE THREE IMPORTANT PARKING ITEMS TO AVOID GETTING A TICKET: 1) get a new parking pass each day, 2) be sure to write your car license number, *in ink*, on it each day, 3) do not park in any "red designated parking spaces".

III. WASHING OFF YOUR BOAT'S BOTTOM ON THE HOIST

Please have everything ready to wash off the bottom of your boat *before* you get to the hoist. **If there are people waiting to get into the water while you are on the hoist, please limit your time washing your boat's bottom to no more than 3 minutes.**

IV. HAULOUT

Once your boat is out of the water, take it to the wash down area and then please bring your boat back to the parking lot across from ABYC.
