The following rules are provided as a courtesy to competitors, their associates and family members. Compliance with these rules is not binding on the regatta, however failure to abide by these rules may result in loss of permission to use the facilities of Eugene Yacht Club, etc.

- a) *Under no circumstances are pets of any kind allowed on Yacht Club grounds*, even if they are left in a vehicle or other enclosure. If you must bring your pet, camping is available at the county's Richardson Park, immediately Northwest of the EYC grounds. They have pay

showers and some electrical//water hookups. A reservation fee applies. Call Lane County Parks at 541-682-2000 for Information & reservations. Make your reservation early. Reserve at <http://reservations.lanecounty.org/>

- b) **Observe the EYC ground signs and instructions** for camping, swimming and parking of boats, cars and recreational vehicles. If you arrive late (after 10:00 PM), please park and camp in the area just to the right inside of the EYC gate. Please keep cars off the front lawns (they are soft and we have underground irrigation system). Please use the available trailer dollies to move boats.
- c) **Alcohol beverages may be consumed discreetly and in moderation on Club grounds.**
- d) **Be conscious of safety.** Please watch your children when they are on EYC grounds, even though they may be in the designated swimming area. Please don't run, jump, or fish on or from the docks. Children 12 and under must wear life jackets at all times while on the docks or near the water. Child safety while on EYC grounds is a parent's responsibility.
- e) **For those who plan to bring an RV:** EYC, at the insistence of the County Fire Marshall, can no longer permit electrical cords to cross vehicle traffic areas. Very few RV Club parking spaces are equipped with power hookups. Most RV campers using EYC grounds will therefore need to be fully self-contained.
